The Subtitle's language was set to English, while the audio codec was set to AAC (Advanced Audio Coding), at 192 kbps. The file was 2.28 GB in size. Censorship In February 2018, the short film was banned in Bangladesh. According to local reports, the ban came about as a result of the two small creatures playing a game of hide and seek. It is unclear what the specific regulations were that determined the ban, but it was accompanied by a video released by local authorities demonstrating the game being played.
